O R D E R:

7 The Government have further reconsidered the question whether any class of members of the subordinate service, who are promoted to the corresponding Provincial Service after having reached the maximum in the subordinate scale should be allowed to draw pay at the stage above the munimum, if their pay in the subordinate scale less than the munimum of the Provincial Scale. They have decided that the old concession of giving a higher starting pay to promotes in the Madras Registration Service should be restored, but that such a concession need not be given in any other department. His Excellency the Governor accordingly directs that the Sub-Registrars promoted as District Registrars shall start on a pay of Rs.260/- per month on the revised scale of Rs.230-30/2-320 40/2-400-50/2-500, and that this concession shall have effect from 1-7-48, the date from which G.O. 701 Finance, dated 22-7-48 has effect.
